Final Draft 3.0 of the World Anti-Doping Code

15 October 2007

Dear Colleagues,

Provided at the Web link below is the **Final Draft 3.0 of the 2007 World Anti-Doping Code**. This draft is a result of extensive consultation with stakeholders and completes a full revision of the existing World Anti-Doping Code 2003.

The publication terminates the third and final stakeholder consultation phase. For your reference and information we have established a special section on our Web site containing the updated versions of Code documents. Click [here](#) for the documents.

Adoption of the revised World Anti-Doping Code is scheduled to occur at the WADA Foundation Board Meeting during the [World Conference on Doping in Sport](#), to be hosted in Madrid, Spain, 15-17 November 2007. We wish to thank all stakeholders who have participated in this important process for helping to strengthen the Code and for their continued commitment to doping-free sport.

Sincerely,

David Howman
Director General

Rune Andersen
Director, Standards and
Harmonization

The World Anti-Doping Agency (WADA) is the international independent organization created in 1999 to promote, coordinate and monitor the fight against doping in sport in all its forms. The Agency is composed and funded equally by the sports movement and governments of the world. Its key activities include scientific research, education, out-of-competition testing, development of anti-doping capacities and monitoring of the World Anti-Doping Code – the first document harmonizing regulations regarding anti-doping in all sports and all countries.
